

## 'Creator' Subject of Next Lesson

The healing of the "man which was taken with a palsy" told by Luke will be featured in the Bible lesson to be read at Christian Science services Sunday.

The Golden Text is from Psalms 145:9,17: "The Lord is good to all: and his tender mercies are over all his works. . . . The Lord is righteous in all his ways, and holy in all his works."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following: "Immortal Mind is the only cause; therefore disease is neither a cause nor an effect. Mind in every case is the eternal God, good. Sin, disease, and death have no foundations in Truth."

The subject will be "God the Only Cause and Creator."

By the year 2000, three of every five veterans in civilian life will be World War II veterans and the other two will be Korean Conflict veterans, the VA predicts.

## PV Professor Does Jefferson Radio Show

Dr. Donald A. MacPhee, associate professor of history at California State College at Palos Verdes, participated in a radio series of the "Mind of Jefferson" on KPFF, the listener-sponsored FM station in North Hollywood.

The broadcast featuring Dr. MacPhee was heard on May 25 and 26 and dealt largely with Jefferson's years as President and especially with his interesting relationship to John Randolph of Roanoke.

This eccentric congressman from Virginia, a distant relative of Jefferson's and a descendant of John Rolfe and Pocahontas, led a little group of insurgents in a revolt within the Jeffersonian Republican party during Jefferson's years in the White House.

Dr. MacPhee described some of the interesting aspects of Randolph's career, such as his duel with Henry Clay, and his brilliance and wit as an orator in the opposition, and analyzed his political views in relation to those of Jefferson and other political figures past and present.

As part of the limited opening of California State College at Palos Verdes next fall, Dr. MacPhee will be teaching the basic studies courses in American History and Political Science for freshmen.
